

## Universal Vertical GPU Holder Kit ARGB

### Ultra-flexible PCIe 4.0 Riser Cable Included

Ultra-flexible PCIe 4.0 riser cable enables high-speed data transmission with ease for tight cable routing.

### ATX & m-ATX Compatibility

Designed for both ATX and mATX cases, this accessory is compatible with the latest GPUs available on the market.

### Tool-less, Instantly Adjustable Design

Toollessly adjustable up to 65mm horizontally, as well as up to 30mm towards the side panel for easy installation.

### Effortlessly Showcase Your Graphics Card

Bring the best out of your components by showing off your GPU.

## ILLUMINATING PERFECTION

Introducing the new Universal Vertical GPU Holder Kit ARGB, designed for gaming enthusiasts who demand both performance and style. Featured by an ultra-flexible PCIe 4.0 riser cable, ensuring lightning-fast data transmission for seamless gaming experiences. With the Quick Release System, upgrading your graphics card is a breeze, making maintenance hassle-free.

Compatible with both ATX and mATX cases and fits the latest GPUs, the Kits ARGB ensure a perfect match for your setup. Add flair to your gaming rig with the customizable 270° ARGB lighting strip, allowing you to showcase your own style.

Elevate your gaming setup with the Universal Vertical GPU Holder Kit ARGB and stand out among fellow gamers. Show off your components with pride and unlock the full potential of your gaming experience.

### PCIe Slot Quick Release System

Enabling painless graphic card uninstallation for hassle-free upgrades and maintenance with the Quick Release System.

### Rotatable ARGB Lighting

A 270° ARGB lighting strip curved with Cooler Master symbol offers style options from minimal to maximal illumination.

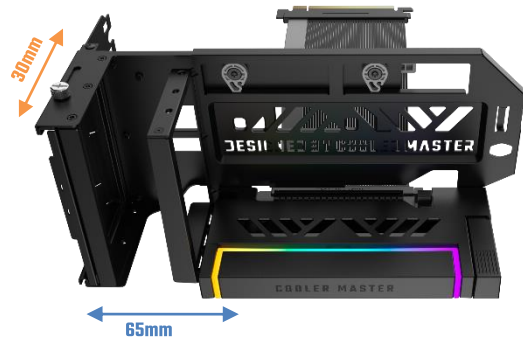

# FEATURE HIGHLIGHTS

## Ultra-flexible PCIe 4.0 Riser Cable Included

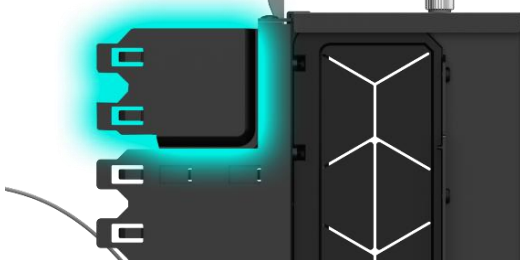

The included PCIe 4.0 riser cable allows for connectivity between the latest hardware, enabling data transmission with greater efficiency and higher speeds. Revised TPE cable sleeves ensure maximum flexibility and durability, making them ideal for the tightest cable routing jobs.

## Tool-less, Instantly Adjustable Design

The modular design accommodates graphics cards of all sizes and supports various RAM and motherboard layouts. The GPU panel is completely removable, enhancing ease of installation, and can be adjusted toollessly in four directions: up to 65mm towards the front panel, as well as up to 30mm towards the side panel, providing greater compatibility and flexibility during use.

## ATX BRACKET

## ATX & m-ATX Compatibility

Designed with both ATX and mATX builders in mind, the Universal Vertical GPU Holder Kit ARGB allows for unprecedented compatibility with almost all cases and the latest GPUs available on the market.

## Rotatable ARGB Lighting

Equipped with a 270° rotatable ARGB lighting strip curved with iconic Cooler Master symbol, provides a range of style options from nearly invisible minimalism to all-out bright light maximalism.

## PCIe Slot Quick Release System

Enabling painless graphic card uninstallation for hassle-free upgrades and maintenance with the Quick Release System.

## Effortlessly Showcase Your Graphics Card

Upgrade the visual design of your chassis and bring the best out of your components by showing off your GPU with the Universal Vertical GPU Holder Kit ARGB.

## SPECIFICATIONS

Product Name		Universal Vertical GPU Holder Kit ARGB
Product Number		MCA-U004R-AVGBST-00
Available Color		Black
Dimensions (L x W x H)	GFX Holder kit	249x148.1x141.8mm (close size) 305x178.1x141.8mm (open size)
	Riser cable	165mm (6.49in)
Supported Chassis Type		ATX , Micro ATX
Supported GPU Type		Any length, up to 3 slots wide
Riser Cable Model		Riser Cable PCIe 4.0 x16
Compatibility		PCIe 4.0 and older
CE Certifications Number		BKC24041591DE
PCB/Wire UL Numbers		E189572 / E427405
Component Materials		PCBA, silver-plated Copper Wire 30 AWG
Insulation Materials		PE, TPE
Other Materials		ABS, PP, SGCC Steel, Nickel, Gold, Brass
Connectors		PCIe x16 Male to PCIe x16 90° Female
Rated working voltage and current		+3.3V/+12V+3.3Vaux
Operating Temperature		-20° to +100° Celsius
Required PCI slots		Minimum 4 PCI slots required for mounting
Net Weight		1.02kg
Gross Weight		1.32kg
Warranty		1 year

## PACKING INFORMATION

EAN Code 4719512147573(Global)  
6928968319894(CN)

UPC Code 884102119897

Units Per Box 12 pcs

Carton Net Weight 12.2 kg

Carton Gross Weight 16.3 kg

Retail Box Dimension  
(L x W x H) 173 x 144 x 265mm

Carton Dimension  
(L x W x H) 457 x 361 x 568mm
